**November 2011**

# DCS Practice Indicator Report Sibling Placement Report

For October 2011

## Report Description

This report uses data collected at the end of the current report month. The graphs and numbers for historical months also use data from the end of the historical month listed. For the purpose of this report, children with a non-custodial parent are considered to be in their own home.

**Count of Sibling Cases** – This is the number of open cases as of the end of the report month which have more than one child in out of home placement at the end of the report month.

**Cases With All Children Placed Together** – This is the number of cases with more than one child in out of home placement where all of the children are placed in the same resource with the same resource ID.

**Percent Placed Together of Sibling Cases**– This is the percentage of the number of cases where all of the children in out of home placement are placed together divided by the number of open cases with more than one child in out of home placement as of the end of the report month.

**Average Number of Children per Case** – This number takes the number of children in out of home placement from cases with more than one child in out of home placement and divides it by the number of cases with more than one child in out of home placement as of the end of the report month.
